How can companies best communicate the social impacts of their products?

**Shout it Out: Communicating Products' Social Impacts**

A White Paper of the  
One Planet Network Consumer Information Programme

What is the business case for promoting socially responsible consumption and production?

Join us to explore this white paper and to hear from those involved in social impact communications.

**Register here: <https://register.gotowebinar.com/register/1464203536352408835>**

*Shout It Out* is an output of the [Consumer Information Programme](#) of the 10 Year Framework of Programmes on Sustainable Consumption and Production (known as the One Planet network). The white paper was developed through a collaborative working group of the Programme, led by UN Environment, the European Commission's Joint Research Centre and New Earth.
