

Executive Meeting of the One Planet Network 2021 Agenda

14-15 June 2021

In light of the ongoing COVID-19 pandemic, this Executive Meeting will take place online. It will consist of two online meetings of a two-hour duration each. The meetings will take place at 2pm-4pm Paris time (CET) in order to accommodate as many time zones as possible.

Meeting format: 4 sessions over 2 online meetings of the duration of 2-hours each

14th June (2pm-4pm CET)

1. Introductory session
2. A common ambition: building and mobilizing the global movement for SCP

Connection to the meeting: [here](#)

15th June (2pm-4pm CET)

3. Prioritization for high-impact actions and systemic change
4. Commitments on SCP to achieve sustainable development

Connection to the meeting: [here](#)

Objectives of the meeting:

- Share experience and lessons learned from the One Planet network and agree on a way forward to further connect communities and agendas by 2022 and beyond, while broadening the global movement on SCP.
- Reaffirm the role of science and share insights, including through the application of the value chain approach, on prioritization (sectors, value chains, intervention areas) as a fundamental principle for the development of a post-2022 strategy on SCP.
- Explore options to secure commitments on SCP, as a means to support and accelerate implementation.

Meeting Chairs:

- Ms. Martine Rohn-Brossard, Vice-Chair of the 10YFP Board, Head of Europe, Trade and Development Cooperation Section and Deputy Head of International Affairs Division, Federal Office for the Environment, Switzerland
- Ulf Jaeckel, Lead of the Consumer Information programme, Head of Division, Federal Ministry for the Environment, Nature Conservation and Nuclear Safety, Germany
- Ms. Sheila Aggarwal-Khan, Director, Economy Division, United Nations Environment Programme

Session 1

Introductory session

14 June 2021

Session Chairs:

- Ms. Martine Rohn-Brossard, Vice-Chair of the 10YFP Board, Head of Europe, Trade and Development Cooperation Section and Deputy Head of International Affairs Division, Federal Office for the Environment, Switzerland
- Ulf Jaeckel, Lead of the Consumer Information programme, Head of Division, Federal Ministry for the Environment, Nature Conservation and Nuclear Safety, Germany
- Ms. Sheila Aggarwal-Khan, Director, Economy Division, United Nations Environment Programme

14:00 - 14:05

Technical guidance & meeting modalities (10YFP Secretariat)

14:05 - 14:20

Welcome remarks and expectations

- Ms. Martine Rohn-Brossard, Head of Europe, Trade and Development Cooperation Section and Deputy Head of International Affairs Division, Federal Office for the Environment, Switzerland
- Mr. Ulf Jaeckel, Head of Division, Federal Ministry for the Environment, Nature Conservation and Nuclear Safety, Germany
- Ms. Sheila Aggarwal-Khan, Economy Division Director, United Nations Environment Programme

Background documents:

- *Summary of the [1st](#) and [2nd](#) workshops of the 10YFP Board & Groups of Friends for SCP*
- [2021 Report of the 10YFP to the High Level Political Forum on Sustainable Development](#)

Session 2

A common ambition: building and mobilizing the global movement for SCP

14 June 2021

Session Chair: Ms. Martine Rohn-Brossard

Expected outcome: Experience and lessons learned from the One Planet network are shared, a way forward to further connect communities and agendas to broaden the global movement on SCP is defined.

14:20-14:55

The One Planet network connecting the dots, bringing communities together

Success stories to illustrate how the One Planet network and its partners are bringing different communities of practice together, broadens the movement for SCP and builds bridges with other agendas (climate change, biodiversity and pollution), and how this has translated into impacts / potential systemic changes.

- **Ms. Martina Fleckenstein, WWF co-lead of the Sustainable Food Systems programme (Reflecting on the UN Sustainable Food Systems Summit) – 10'**
- **Ms. Anne Pluvignage-Nierengarten French Ministry of Ecological Transition (Achieving national objectives on climate change, biodiversity and pollution through SCP policies) 10'**

	<ul style="list-style-type: none"> - Mr. Atsushi Watabe, Japan, lead of the Sustainable Lifestyles & Education programme (Illustrating how SCP through sustainable lifestyles is contributing to the aforementioned agendas.) 10'
14:55-15:50	<p>Brainstorming on broadening the movement and breaking silos (4 breakout groups)</p> <ul style="list-style-type: none"> - Introduction to the breakout group activity (5') - Breakout groups (30'): <ol style="list-style-type: none"> 1. What is the added value of the One Planet network as a platform for inspiring a global movement for SCP? 2. What can be done to actively promote the centrality of SCP approaches to addressing the climate, nature and pollution crises? 3. Are there specific bridges between these agendas that need to be built to better “connect the dots”, and what are the challenges of doing so? 4. What elements make up a strategic partnership (in this context) and what should a strategic partnership concretely produce? - Reporting back to plenary and discussion (20')
15:50-16:00	Wrap up and closing remarks, Ms. Martine Rohn-Brossard
<p>Background documents:</p> <ul style="list-style-type: none"> - 2021 Report of the 10YFP to the High Level Political Forum on Sustainable Development 	
<p>Session 3 Prioritization for high-impact actions and systemic change 15 June 2021</p>	
Session Chair: Ms. Sheila Aggarwal-Khan	
<p><i>Expected outcome: prioritization of key sectors, value chains and/or intervention areas is recognized as a fundamental principle for the development of a post-2022 strategy on SCP.</i></p>	
14:00-14:05	Welcome and Chair’s introduction
14:05-14:25	<p>Mobilizing science and social dialogue for strategic prioritization</p> <ul style="list-style-type: none"> - Mr. Janez Potočnik, Co-Chair of the International Resource Panel, How can natural and social sciences inform strategic prioritization? (7') - Ms. Eva Ahlner, Senior Advisor at the Swedish Environmental Protection Agency, Prioritizing along value chains and aligning action in key sectors (5') (Multilateral and multi-stakeholder cooperation on SCP beyond 2022 requires a common agenda that reflects political ambition through clear priorities and objectives. The value-chain approach and its application provides a solid basis for a science-based post-2022 strategy on SCP) - Implementation of the value-chain approach lessons, opportunities and challenges, 10YFP secretariat with contribution from the Sustainable Tourism Programme (7') (Implementation of the approach on the food sector thus far (steps 1 and 2 of the approach). Interventions from the floor on how this process has facilitated action across

	<i>programmes and the identification of gaps and opportunities that could inform prioritization of intervention areas, activities and collaboration across the network.)</i>
14:25-15:15	<p>Brainstorming on prioritization for a post-2022 global strategy on SCP (how and what)</p> <ul style="list-style-type: none"> - Introduction to the breakout group activity (5') - Breakout groups (30'): <ol style="list-style-type: none"> 1) <i>Prioritization within the programmes: what methodologies have been used so far for prioritizing action / partnerships?</i> 2) <i>How can these methodologies complement and inform the work on value chains?</i> 3) <i>What are the foreseen priorities across programmes for the next phase (post-2022)?</i> 4) <i>Beyond food, construction and plastics, which other sectors / themes should be prioritized by the network during the next phase and why (based on knowledge available in the programmes)?</i> - Reporting back to plenary and discussion (15')

Background documents:

- [Catalysing Science-Based Policy Action on Sustainable Consumption and Production: The Value-Chain Approach and its Application to Food, Construction and Textiles \(International Resource Panel – One Planet network Task Group](#)

Session 4

Commitments on SCP to achieve sustainable development

15 June 2021

Session Chair: Mr. Ulf Jaeckel

Expected outcome: options to secure commitments on SCP, as a means to support and accelerate implementation, are explored

15:15-15:20	Chair's introduction
15:20-15:30	Demonstrating progress on SCP through the SDG 12 Hub, 10YFP Secretariat
15:30-15:50	<p>Plenary discussion on integrating existing and securing new commitments for SCP</p> <ol style="list-style-type: none"> 1. <i>What type of commitments can deliver real action on the ground?</i> 2. <i>Who needs to take and implement them?</i> 3. <i>How to integrate and consolidate existing commitments relevant to SCP? How to stimulate new commitments in line with strategic priorities?</i>

Closing

15:50-15:55	Brief summary of next steps (10YFP Secretariat)
15:55-16:00	<p>Closing remarks</p> <p>Ulf Jaeckel, Lead of the Consumer Information programme, Head of Division, Federal Ministry for the Environment, Nature Conservation and Nuclear Safety, Germany</p> <p>Ms. Sheila Aggarwal-Khan, Director, Economy Division, UNEP</p>
