

**One planet**  
handle with care

The One Planet network formed to implement the 10 Year Framework of Programmes on Sustainable Consumption and Production (10YFP).

Monthly update - August 2019

## Achievements

### One Planet Multi-Partner Trust Fund (MPTF) cited by Kenya at High-Level Political Forum as potential game changer

Kenya, who represents the African region on the Board of the One Planet network, [cited](#) the [MPTF](#) as a mechanism to accelerate the shift towards sustainable consumption and production, during the official review of SDG 8 on Decent Work and Economic Growth at the 2019 HLPF. Previously, the One Planet network's [Economic growth and natural resource use: Breaking-up with 'Business as Usual'](#) had been presented as an official input to the review of SDG 8, at the [Expert Group Meeting on SDG 8](#). The full video of the SDG 8 review is available [here](#) (Kenya statement at 1:27).

### New brochure highlights the role of the One Planet Multi-Partner Trust Fund (MPTF) in delivering on SDG 12

A new [4 page brochure](#) has been developed to support the outreach for and promotion of the [One Planet Multi-Partner Trust Fund for SDG 12](#). The brochure is a summary of how the MPTF can respond to the implementation challenge and support countries in delivering on SDG 12. The MPTF is a joint effort of six UN Agencies from across the One Planet network: UN Environment Programme, the Food and Agriculture Organization, the UN World Tourism Organization, UN-Habitat, UN Office for Project Services, and UN Development Programme, supported by the UN Multi-Partner Trust Fund Office.

### The Sustainable Buildings and Construction programme has identified two priority areas of focus for 2019-2022

Affordable and resilient building practices, and circular built environment have been identified by the Multistakeholder Advisory Committee (MAC) of the Sustainable Buildings and Construction programme as two priority areas of focus for the period 2019-2022. The [approach to scale up action](#) aims to strengthen the alignment of the SBC programme with the network's [One Plan for One Planet strategy](#). For more information please contact [pekka.huovila@figbc.fi](mailto:pekka.huovila@figbc.fi).

## Calls for interest

## Sustainable Food Systems programme calling for expressions of interest to renew their Multistakeholder Advisory Committee (MAC)

The SFS programme is currently in the process of renewing the composition of its MAC, and partner organisations of the programme are invited to apply. The roles, responsibilities and benefits of being a MAC member of this programme, and the application form, can be found [here](#). Deadline: August 11th, 2019.

---

## European Commission publishes new calls for proposals under the updated Horizon 2020 work programme

The updated [Horizon 2020](#) work programme includes new topics and calls relevant to the One Planet network that will be open to different types of organizations under [Climate action, environment, resource efficiency and raw materials](#), [Secure, Clean and Efficient Energy](#) and [Food security, sustainable agriculture and forestry, marine, maritime and inland water research and the bioeconomy](#). Timelines and further information are available in the above links.

---

## Sustainable Finance: European Commission's technical expert group calls for feedback on their technical report on EU taxonomy

The Technical Expert Group on Sustainable Finance, established by the European Commission, has launched a [call for feedback](#) on their [technical report on EU taxonomy](#). The aim of the report is to contribute to more informed decisions by businesses and investors, by translating policies into frameworks that they can more readily understand and respond to. The diverse stakeholders across the One Planet network are well placed to provide feedback on the current report, and are invited to do so until September 13th, 2019.

---

## Events

## Conference: Sustainable Consumption for Biodiversity and Ecosystem Services Worldwide

September 30th, 2019

This conference will discuss topics such as the impacts of consumption on biodiversity and ecosystems, the shifts in consumption patterns needed to reduce these impacts, and the policy approaches that can promote such shifts. The conference is hosted by the [German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety \(BMU\)](#), co-lead of the Consumer Information programme. For more information please see the [Conference Flyer](#), [Conference Website](#), as well as the [Registration Form](#).

---

## Announcements

## Anatomy of Action (AoA): A handy action set for everyday sustainable living

The [Anatomy of Action](#) (AoA), a contribution to the [One Planet Network's Sustainable Lifestyles and Education Programme](#), is a UN Environment / [UnSchool](#) media tool kit which outlines the top level changes any individual can make to support the growing shift to global sustainability. Based on AoA ideas, the Instagram campaign (15 - 30 September) will feature diverse influencers who will post daily on sustainable living – showing that small, collective actions can have a major planet-positive impact. For further information please contact [garrette.clark@un.org](mailto:garrette.clark@un.org).

## Communications Agencies commit to disclosing 'climate conflicts' before the end of the year

The change-agency Futerra, a partner of the [Sustainable Lifestyles and Education programme](#), initiated the [Creative Climate Disclosure](#), with the aim of changing the narrative about climate change and the ecological crisis. It is an invitation to agencies and individual creatives to disclose the percentage of turnover generated by clients from fossil fuel companies and other high carbon clients.

## Good Life Goals being featured on the streets of Sweden

Linköping, Sweden has launched its [Summer Walking street](#), where the [Good Life Goals](#) – individual actions based on the 17 Sustainable Development Goals – inspire visitors. The Good Life Goals are a key product of the Sustainable Lifestyles and Education programme, with creative support from Futerra, a partner of the programme. The Good Life Goals, already available in [Chinese](#), [English](#), [French](#), [German](#), [Japanese](#), [Portuguese](#), [Spanish](#) can now be seen in Swedish at the Summer Walking street.

## In the news

## UNDP Goodwill Ambassador Michelle Yeoh advocates sustainable consumption and production through sustainable fashion

In an [exclusive interview](#), the UNDP Goodwill Ambassador Michelle Yeoh gave tips on raising awareness around the impacts of fashion on the environment. The interview was part of the UN [SDG of the Month campaign](#), featuring SDG 12. UNDP is one of six founding agencies of the [One Planet Multi-Partner Trust Fund for SDG 12](#), which supports market enabling conditions to empower actors in society to make more responsible consumer choices, in fashion and beyond!

## Stay in touch!

Do you have a story or event you would like included in our Monthly Update? To be considered, simply share a thumbnail picture, any relevant links and a brief description of 80 words or less in an e-mail to [oneplanet@un.org](mailto:oneplanet@un.org).
