

# Together It's Possible: Phasing Out Food And Plastic Waste In The Hospitality Sector

One planet  
handle with care

 Panel Session at the Scandinavia House, 58 Park Avenue, New York

 Friday 27<sup>th</sup> September 2019

 9:30 – 11am (coffee from 9am)

Everyone on Earth is affected by the impacts of food and plastic waste. Join our conversation on leaving no one behind in the collective journey towards SDG12 and more sustainable consumption and production patterns. With a focus on the hospitality sector, this discussion will present practical initiatives and strategies from those leading on implementation of SDG 12 through the One Planet network.
